PROBLEM STATEMENTS

1
Aims to expand community reach through showcasing stories and archived files

2
Difficulty in effectively presenting activities and stories to the target audience

3
Tight deadlines and budgets make it hard to actively promote the organisation

4
Limited familiarity with digital tools among some community members

OUR SOLUTION

A user-friendly web application with **interactive** features is designed to cater to **diverse demographics and varying levels of digital literacy**. Providing **easy access** to the history, artworks, archives and activities of the Annexe Communities.
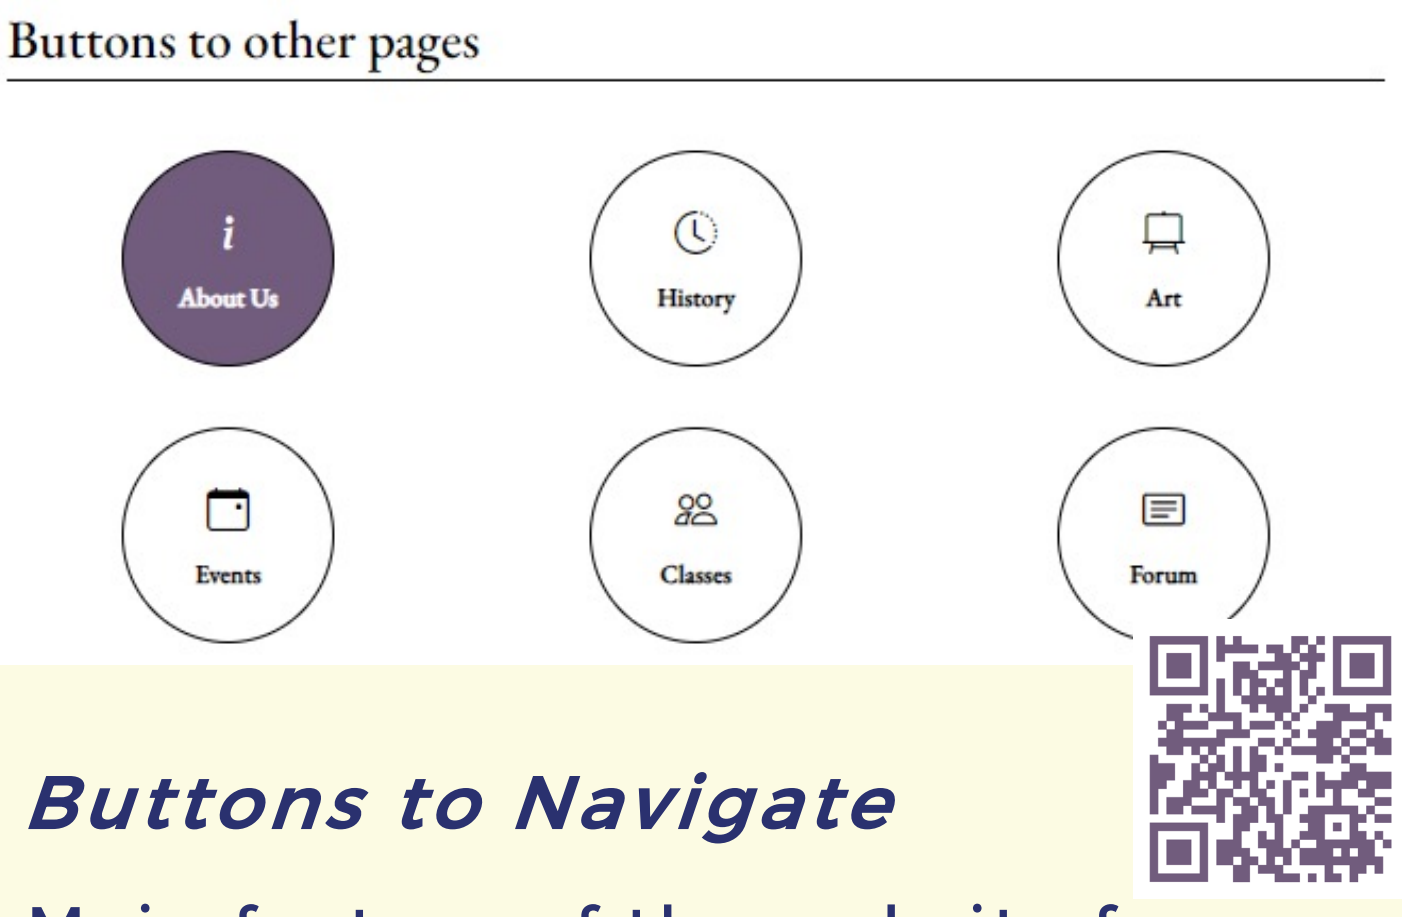

KEY FEATURES

Want to find out more? Scan the QR codes!
